**THE HIGHEST POWER IN CORDLESS  
YARD CARE - 40 VOLT LITHIUM-ION.  
ONLY BY GREENWORKS**

**Everybody's trying to get the first glimpse at the most innovative gas-free yard care products on the planet. We can't wait to share it with you!**

Come to booth **#11182** and see why GreenWorks is the best choice in gas-free yard care for your customers. Our new innovative, industry-leading 40V and 24V Lithium-Ion battery powered hand-held tools will help you strengthen your presence in the cordless market with superior performance, ergonomic designs and unique user-friendly features.

Then join us outside at exhibit **#7630D** for hands-on demonstrations where you'll have the opportunity to feel the power of our new GreenWorks 40V cordless chain saw.

Look for your **"Secret Pass"** in the mail in the next two weeks with information on our **product give-away** and how you can enter to win a new GreenWorks Lithium-Ion battery powered tool!

Please add us to your agenda while in Louisville and learn how you can make your customers' lives easier with high-power, high performance GreenWorks yard care tools – and still be the envy of the neighborhood.
